FROM: Dave Gries *JB*  
SUBJECT: Weekly Report

HPSCI

Stokes has decided to remain as Chairman of the Budget Subcommittee.

25X1   
25X1 The SSCI has an amendment ready that will resolve the  problem. The Committee is looking for the appropriate bill for its amendment. Keith Hall said that action would have to be taken within the next 30 to 45 days.

Iran Report

The SSCI is working on the official report of its Iran-Contra investigation. Per legislation the SSCI must provide the Inouye Committee with a report that can be made public. The Inouye Committee has the option of publishing the report or telling the SSCI to publish. The Agency will be given an opportunity to review prior to publication.

Pay Proposals

Indications are that despite political posturing and parliamentary maneuvering, the Presidential pay proposals probably will survive.
